

**Lehi Fifth Ward  
by Carl Mellor**

**Lehi Fifth Ward was organized on the 29th day of February, 1920 by Apostle Rudger Clawson as the 800th ward in the church.**

**Andrew Fjeld was the first bishop. For eight years the ward did not have a permanent building. It met for a time in the Tabernacle, the High School auditorium and in the basement of the Memorial Building. Finally it was in the Comer Cathedral. The Comer Cathedral was a converted temporary church from the Comer family home when the ward purchased their property for a new building.**

**Virgil Peterson was named bishop in August 1927. Ground clearing for the new building took place on 01 February 1928, and the building was used for the first time in December 1928. It was dedicated by Church President Heber J. Grant on 28 February 1937.**
